[Registration is open now \(in person or online\)](#); kids may pick up their reading logs starting Monday, June 3. Completing the summer reading challenge makes participants eligible to select a **free book**. All programs and activities are free.

New this year is **Chapter-a-Day** offered Mondays-Thursdays at noon. Kids ages 18 and under can pick up a free lunch at the library and enjoy it while listening to books read aloud by your favorite librarians.

Box Top\$ for Education is going digital!!!

New Digital Program for Box Tops. Eventually, the Box Tops program will become digital-only. Starting in June 2019 (yes **NOW**) you will see some participating brands begin to change their packaging from a physical Box Tops clip to the new Box Tops icon. **We will continue to collect all physical Box Tops until they reach their expiration dates, so keep clipping and sending them to school!**

The main difference is how our school will earn – instead of clipping, all Box Tops will be **digitally via receipt scan**. Just download the new and improved, user-friendly Box Tops app, register/join and select Spring Road School, and then scan an eligible **receipt** containing Box Tops products. We'll earn 10 cents for each Box Tops product purchased plus extra earnings for any Bonus Box Tops opportunities by downloading at [Box Tops Bonus App](#) starting **NOW** for **new and old logos!!** By the end of the summer, with all packaging expected to be transitioned by early next year. Thank You Spring Road Families

Dear Spring Road families:

We are starting the last school week of the year. It's time to stop and think of what a success this year has been. Do you know that photo you took of your child on the first day of school? Look at it now. Notice how much he/she has changed these few months. Our kids have learned so many new things in and out of school; they have made new friends, shared laughter and love. I hope it has been a year of great memories!!

As we close out this school year, I wanted to take a moment to thank all of our parents, teachers, and staff for an amazing year. Thank you to all those **volunteers** who give their time to make things happen to support the PTO activities. Because of all your help and support, we were able to offer a variety of events and enrichments throughout the school year. By continuing to build a strong community, we help to enrich the experiences of our children.

I wish many of you a great summer and I know the incoming PTO board has many wonderful things planned for the 2019-2020 school year. As this is my last year at Spring Road (because my kiddo is graduating to Horace Mann) I want to say it has been an amazing three years working with a great group of people in supporting the Spring Road PTO, school and staff!

Best Wishes,
Michelle Milbrodt
