

Elementary Readiness, Summer Academy, and Enrichment Programs

Elementary Readiness Program

June 11, 2018 – July 20, 2018

Monday – Thursday

8:00 AM – 11:00 AM

Kindergarten Readiness

The purpose of this class is to provide skill development for pre-kindergarten children before they enter a formal group-learning environment. This opportunity also provides an exposure to math readiness, reading readiness, daily routines, socializing with other children, and access to the elementary school building and its structures, thus bridging the transition to full day kindergarten. Kindergarten Readiness will be held Monday through Thursday between the hours of 8:00 AM and 11:00 AM the weeks of June 11, 18 and June 25, and July 9 and 16. No school will be held the week of July 2, 2017. Instructional materials will be provided by the School District at no cost to families. Kindergarten Readiness will be offered at the following elementary schools: Clayton, Coolidge, Hoover, Lakeview, Roosevelt, Taft, Tullar, and Wilson. Due to parking lot renovation, Spring Road will not be included as a summer school site.

Registration information will be mailed home with the 5K enrollment packet.

First Grade Readiness

This is a class for current Kindergarten students who need additional readiness skills prior to entering first grade. Instruction will emphasize reading, math, and other readiness skills needed for success in first grade. Examples of skills that will be emphasized are phonetic spelling, journal writing, addition and subtraction, number identification to 100, reading leveled books, high frequency words, word families, rhyming, and counting by 1's, 2's, 5's, and 10's.

First Grade Readiness will be held Monday through Thursday between the hours of 8:00 AM and 11:00 AM the weeks of June 11, 18 and June 25, and July 9 and 16. No school will be held the week of July 2, 2017. Instructional materials will be provided by the school district at no cost to families. First Grade Readiness will be offered at the following elementary schools: Clayton, Coolidge, Hoover, Lakeview, Roosevelt, Taft, Tullar, and Wilson. Due to parking lot renovation, Spring Road will not be included as a summer school site. **Registration information is available at each school site.**

Elementary Summer Academy Program

June 11, 2017 – July 19, 2017

Monday – Thursday

8:00 AM – 11:00 AM

Reading Academy and Math Academy

The purpose of **Summer Reading Academy** is to enhance and develop reading skills of students entering grades two through five. Eligible students are recommended by their classroom teacher.

Each class period will be 90 minutes per day. Classes will be held Monday through Thursday between the hours of 8:00 AM and 11:00 AM, and will meet the weeks of June 11, 18 and June 25, and July 9 and 16. No school will be held the week of July 2, 2017. These classes are offered at the following elementary schools: Clayton, Coolidge, Hoover, Lakeview, Roosevelt, Taft, Tullar and Wilson. Due to parking lot renovation, Spring Road will not be included as a summer school site. **Students are enrolled in Reading Academy courses by teacher recommendation and parent permission only.**

The purpose of **Summer Mathematics Academy** is to enhance and develop math skills of students entering grades two through five. Eligible students are recommended by their classroom teacher.

Each class period will be 90 minutes per day. Classes will be held Monday through Thursday between the hours of 8:00 AM and 11:00 AM, and will meet the weeks of June 11, 18 and June 25, and July 9 and 16. No school will be held the week of July 2, 2017. These classes are offered at the following elementary schools: Clayton, Coolidge, Hoover, Lakeview, Roosevelt, Taft, Tullar and Wilson. Due to parking lot renovation, Spring Road will not be included as a summer school site. **Students are enrolled in Math Academy courses by teacher recommendation and parent permission only.**

ELEMENTARY ENRICHMENT

Location (TBD); dates and times vary

Summer Art - Join us for a summer full of art experiences! We will be working with a variety of art tools, techniques and media! Bring an art shirt, we will get messy!

Grade Level: students entering grades 1-5
Time: 8:00-9:20 and 9:40-11:00 AM
Teacher: Maggie Weyenberg & Hannah Kuplack
Session 1: June 11-June 28
Session 2: July 23 - Aug 9
Location: TBD

Active Summer - Want to have a ball this summer? Do you love to play games and sports? Do you enjoy being active and learning new games? Then look no further because this course is for you! Students in this class will play many games and activities like badminton, volleyball, floor hockey, disc golf, whiffle ball, and ultimate frisbee/football. Other large group games will be played as well. Students can also expect to complete fitness tests at the beginning and end of this course to measure their improvement.

Grade Level and Time

Time: 8:00-9:20 AM students entering grade 2 or 3 in the fall

Time: 9:40-11:00 AM students entering grade 4 or 5 in the fall

Teacher: Dave Cepek

Session 1: June 11 – June 28

Location: TBD

Traveling Care-a-Van – Do you love to help others and have fun at the same time? Do you want to make a difference in many people’s lives? Join this class for a chance to travel every day to a new destination to help others in need! Students will learn the value of volunteering and community service through numerous different service projects and group reflections. Traveling Care-A-Van destinations may include local food pantries, nursing homes and assisted living facilities, humane societies, and many more. This course does have a 15-student enrollment cap.

Grade Level: students entering grades 4 or 5

Time: 8:00-11:00 AM

Teacher: Steph Levine

Session 1: June 11 - June 28

Location: TBD

Healthy Snacks - Who doesn't love to eat? Tired of eating the same foods and snacks? Want to learn to prepare fun and healthy foods and snacks? Want to become more independent in your own kitchen? This delicious class is for you!!

Grade Level: students entering grades 4 or 5

Time: 8:00-9:20 and 9:40-11:00 AM

Teacher: TBD

Session 1: June 11 – June 28

Session 2: July 23 - August 9

Location: TBD

Spanish - This exciting course will use music, games and drama to help students start speaking Spanish. We will study beginning conversational Spanish in addition to several special topics chosen by students on their interests. Activities in class will relate to Spanish countries, Spanish food, Spanish art, and Spanish culture. Before you know it you'll be ready for a trip to Spain!

Grade Level: students entering grades 4 or 5
Time: 8:00-9:20 and 9:40-11:00 AM
Teacher: Zoe Witzeling
Session 2: July 23 - August 9
Location: TBD

Uke Can Do It! - Have uke ever wanted to learn the ukulele? Well now uke can do it! Learn the basic strumming patterns and basic chords. (Ukuleles will be available to use, or feel free to bring your own!) Have fun singing and playing along. There will be plenty of music finger breaks throughout the course while learning music fundamentals. Learning is fun on the ukulele! Be the star, singing songs around the campfire throughout the summer. Uke can do it! Play the ukulele this summer!

Grade level: students entering grades 4-6
Time: 8:00-9:20 and 9:40-11:00 AM
Teacher: Nancy Hart
Session 1: June 11 – June 28
Session 2: July 23 - August 9
Location: TBD

Your Elastic and Growing Brain: Let's Learn About How the Brain Works - In this hands-on course, students will learn about the fascinating world of psychology! Students will learn about the building blocks of the brain and how our connections are constantly growing and becoming stronger. We will dive even deeper as we learn how the parts of the brain and nervous system work to influence us. Next, we will use our new knowledge to learn about memory, thinking, motivation, and emotion. This will lead us into discovering more about our individual personalities and how we interact with others. Finally, we will conclude the course with student choice topics, which may include sensation and perception or sleep and dreams. Key topics to include growth mindset, perseverance, collaboration, empathy, and self-regulation.

Grade level and Time

Time: 8:00 – 9:20 AM students entering grades 4 or 5 in the fall
Time: 9:40 – 11:00 AM students entering grades 1, 2 or 3 in the fall
Teacher: Elizabeth Severson
Session 1: June 11 – June 28
Session 2: July 23 - August 9
Location: TBD

Sign Language - Super Hands!! - An introduction to American Sign Language (ASL). Come learn a little about Deaf culture and how they communicate without their voices. Make your hands super.... learn to communicate by using them!

Grade Level & Times:

Time: 8:00-9:20 AM for students entering grades K-2 in the fall

Time: 9:40-11:00 AM for students entering grades 3-5 in the fall

Teacher: Kristy Burroughs

Session 1: June 11 – June 28

Location: TBD

Survivor X: Have you ever wondered what it takes to be a survivor? Don't get cast off the island--learn skills needed to be a leader and to survive outdoors. Students will solve problems and develop skills such as: biking and bike repair, tying knots, forecasting weather, purifying water, making food and survival shelters.

Grade level: students entering grades 3-5

Time: 8:00-9:20 and 9:40-11:00 AM

Teacher: Gregg Goers

Session 1: June 11 – June 28

Location: TBD

ELEMENTARY ENRICHMENT offered at Neenah High School

Elementary Jr. Visual Arts Academy - What will you create? Spend an exciting week with paint clay, technology, and much more! Students have adventurous experiences looking at art and artists, talking about art careers, and making art. The Jr. Visual Arts Academy is presented by a team of certified Neenah Joint School District Teachers.

Grade Level: students entering grades 1, 2, 3 or 4

Time: 8:00 AM - 11:00 AM

Date: Monday, July 23 - Friday, July 27

Location: Neenah High School entrance #3

Intermediate Jr. Visual Arts Academy - What will you create? Spend an exciting week with paint clay, technology, and much more! Students have adventurous experiences looking at art and artists, talking about art careers, and making art. The Jr. Visual Arts Academy is presented by a team of certified Neenah Joint School District Teachers.

Grade Level: students entering grades 5, 6, 7 or 8

Time: 12:00 PM - 3:00 PM

Date: Monday, July 23 - Friday, July 27

Location: Neenah High School entrance #3

Engineering: Summer STEM - Students will work in teams developing cooperation and problem solving skills while completing several hands-on STEM (Science Technology Engineering and Math) challenges. Demonstrations of Physics, Chemistry and Engineering principals will energize and prepare students to utilize their knowledge in completing the STEM challenges. Students will also be given a tour of the science and engineering wing of the High School and learn about opportunities available to them. Students will be mentored by High School student volunteer who will guide and encourage them. Students will record their results in an engineering notebook which will sent home on the final day. A demonstration day sponsored by a local engineering company (probably Bemis) will be the final highlight of the program, giving students the opportunity to meet professional engineers and learn about job opportunities in the STEM field.

Grade Level: students entering grades 1, 2, 3, 4, 5, or 6

Session 1 Time: 9:00 AM - noon AM

Session 2 Time: 1:00 PM - 4:00 PM

Date: June 4 - June 7

Location: Neenah High School

ELEMENTARY & MIDDLE SCHOOL MUSIC ENRICHMENT

Summer Choir Academy

Schedule: June 11 - June 15

Time: 8:00 AM - 11:00 AM (concert on Friday)

Location: Neenah High School

Open to: Students who have a passion for singing and are entering grades 3 - 9.

Content: This one-week course is for students who desire to improve their musicianship and performance skills. This fun and intensive activity-oriented experience will teach and practice the skills necessary for success in any vocal ensemble.

Activities: A typical daily schedule includes rehearsal, sectional, master class, comprehensive musicianship, personal enrichment activities, social interaction and a snack break. The week culminates with a final combined concert on Friday, June 15 in Pickard Auditorium on the Neenah High School campus.

When registering online, we MUST obtain the following information:

Student t-shirt size (YS, YM, YL, AS, AM, AL, AXL)

Summer Band Academy

Schedule: June 4 - June 8

Time: 8:00 AM – 11:00 AM (concert on Friday)

Location: Neenah High School

Open to: Students who have had previous instruction on a band instrument and are entering grades 6 - 9.

Content: This one-week course is for band students having beginning to intermediate knowledge of the fundamentals of musicianship who desire to improve their performance skills. This fun and intensive activity-oriented experience will teach and practice the skills necessary for success in any instrumental ensemble.

Activities: A typical daily schedule includes rehearsal, sectional, master class, comprehensive musicianship, personal enrichment activities, social interaction and a snack break. The week culminates with a final concert on Friday, June 9 in Pickard Auditorium on the Neenah High School campus.

When students register, we MUST know:

-What grade the student completed in 2017-2018

-What instrument the student plays (Flute, Oboe, Clarinet, Bass Clarinet, Bassoon, Alto Saxophone, Bari Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, Percussion)

-How many years the student has played the instrument

When registering online, we MUST obtain the following information:

-Student t-shirt size (YS, YM, YL, AS, AM, AL, AXL)

Summer Strings Academy

Schedule: August 13 - August 17

Time: 8:00 AM – 11:00 AM (concert on Friday)

Location: Neenah High School

Open to: Students who have had previous instruction on an orchestral string instrument and are entering grades 3-9.

Content: This one-week course is for string students having beginning to intermediate knowledge of the fundamentals of musicianship who desire to improve their performance skills. This fun and intensive activity-oriented experience will teach and practice the skills necessary for success in any instrumental ensemble.

Activities: A typical daily schedule includes rehearsal, sectional, master class, comprehensive musicianship, personal enrichment activities, social interaction and a snack break. The week culminates with a final concert on Friday, August 18 in Pickard Auditorium on the Neenah High School campus.

When students register, we MUST know:

- What grade the student completed in the 2017-18 school year
- What instrument the student plays
- How many years the student has played the instrument

When registering online, we MUST obtain the following information:

- Student t-shirt size (YS, YM, YL, AS, AM, AL, AXL)

Beginning Strings Academy

Schedule: August 13 - August 17

Time: 10:30 AM - 12:00 PM (concert on Friday)

Location: Neenah High School

Beginning Strings is a course for incoming 5th grade students who are enrolled in Beginning Strings (violin, viola, cello, bass) in the fall of 2018-2019.

When registering online, we MUST obtain the following information:

T-Shirt size (YS, YM, YL, AS, AM, AL, AXL)

Beginning Band Academy

Schedule: August 13 - August 17

Time: 1:00 PM - 2:30 PM (concert on Friday)

Location: Neenah High School

Beginning Band is a course for incoming 5th grade students who are enrolled in Beginning Band (Flute, Oboe, Clarinet, Saxophone, Trumpet, French Horn, Trombone, Baritone, Percussion) in the fall of 2018-19.

When registering online, we MUST obtain the following information:

T-Shirt size (YS, YM, AS, AM, AL, AXL)

Math Skills Online: - MS

Schedule: Section 1 8:00 - 9:30, June 11-14, 18-21, 25-28, July 9-12 and 16-19
Section 2 9:30 - 11:00, June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades: 6 - 8 Students

Location: Horace Mann Middle School

Content: This course utilizes an online student management system as well as an online math programs to allow students an opportunity to work on math skills at home. Students will have the opportunity to meet, face-to-face, one time each week with a certified teacher to review concepts and have questions answered. These meetings will take place at Horace Mann.

Instructor: Tricia Retzlaff

Cost: Non-residents - T.B.A.

Math 7 Acceleration* Offering

Schedule: Section 1 8:00 - 9:30, June 11-14, 18-21, 25-28, July 9-12 and 16-19
Section 2 9:30 - 11:00, June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming grade 7 students

Location: Horace Mann Middle School

***In order to be eligible to take this course, students must have successfully completed Math 6.**

Students typically take Math 7 over the course of an entire school year. The summer offering of Math 7 will cover the same topics over a shorter period of time. The Math 7 summer course will focus on the following four critical areas: (1) Developing an understanding of and applying proportional relationships.

(2) Developing an understanding of operations with rational numbers and working with expressions and linear equations. (3) Solving problems involving scale drawings and informal geometric constructions, and working with two- and three-dimensional shapes to solve problems involving area, surface area, and volume. (4) Drawing inferences about populations based on samples. **In order for students to be accelerated, students must pass an end of course 7th grade placement test.**

Instructor: T.B.D.

Cost: Non-residents - T.B.A.

Introduction to Algebra Enrichment: - MS

Schedule: Section 1 8:00 - 9:30, June 11-14, 18-21, 25-28, July 9-12 and 16-19
Section 2 9:30 - 11:00, June 11-14, 18-21, 25-28, July 9-12 and 16-19
Section 3 11:30 - 1:00, June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades 8 and 9 Students

Location: Horace Mann Middle School

Content: This course is a condensed Introduction to Algebra course. This gives students who are currently showing solid math ability a chance to accelerate into Algebra next year. **In order for students to be**

accelerated, students must pass an end of course placement assessment.

Instructor: T.B.D.

Cost: Non-residents - T.B.A.

Strength and Conditioning - MS

Schedule: Section 1 7:00- 8:15 AM, M/W/Th, June 11-14, 18-21, 25-28, July 9-12 and 16-19

Section 2 8:15 -9:30 AM, M/W/Th, June 11-14, 18-21, 25-28, July 9-12 and 16-19

Section 3 9:30-10:15 AM, M/W/Th, June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades: 6 - 8 Students

Location: Horace Mann Middle School

Content: Strength and conditioning is a comprehensive program, consisting of student form, strength, speed, agility, and flexibility. The focus is first, to introduce strength training form and technique and secondly start to develop their body into a stronger and more explosive unit.

Instructor: NJSD Staff & Student Assistants

Cost: Non-residents - T.B.A.

Magic of the Green Screen

Schedule: 8:30 AM-10:00 AM, June 11-14, 18-21 and 25-28

Open to: Incoming 6th Grade Students

Location: Horace Mann Middle School

Content: Learn how to use "green screen" technology to create and showcase your own creative videos. Participants are strongly encouraged to have and bring his or her own iPad or Apple device.

Instructor: Dom Sollitto

Cost: Non-residents - T.B.A.

Comic Book Graphics and Design

Schedule: 11:00 - 12:30 PM, June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades: 6 - 8 students

Location: Horace Mann Middle School

Content: Have you ever wondered how artists create and showcase their own comic book designs? Well, then this is the course for you. During the class, students will design, create and showcase their own comic book creation.

Instructor: T.B.D.

Cost: Non-residents - T.B.A.

Mind.Body.Soul

Schedule: 8:30 - 10:00 AM; June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades: 6 - 8 students

Location: Horace Mann

Content: Did you know there's more to being healthy than the number on the scale or how much you can bench press? It's important to be healthy in three areas: physically, emotionally, and environmentally. In this five week

class, we will focus on all three. Our class will begin with 25 minutes of quiet time/mindfulness/meditation/reading to improve our emotional health. Then, we will do some kind of physical activity for 30 minutes such as running, yoga, volleyball, walking, etc. Menu planning will also be incorporated into this course (and maybe we can even eat some yummy treats)! We will conclude our class with an environmental aspect such as making homemade DIY green products using essential oils, picking up trash in the neighborhood, and many other projects that will make us and others feel good!

Instructor: Stacie Pooler
Cost: Non-residents - T.B.A.

Rocketry

Schedule: Section 1: 10:00 - 11:30 AM; June 18-21, 25-28, July 9-12 and 16-19
Section 2: 12:00 - 1:30 PM; June 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades: 6 - 8 students

Location: Horace Mann Middle School

Content: In this course, students will design, build, and launch LOTS of different rockets! Rocket types will include air-powered paper rockets, water-powered 2-liter bottle rockets, solid-fuel Estes rockets, and more. As rocket designs become increasingly complex, principles of aerodynamics and design will be covered, and all rockets will be theirs to keep.

Instructor: Lee Blank
Cost: Non-residents - T.B.A.

Introduction to ASL

Schedule: 12:00 - 2:00 PM; June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades: 6 - 8 students

Location: Horace Mann Middle School

Content: Introduction to American Sign Language (ASL) and Deaf Culture. Students will learn sign language, some basic structure of ASL, both expressive and receptive. They will take a look into Deaf culture and learn some of the culture differences.

Instructor: Kristy Burroughs
Cost: Non-residents - T.B.A.

Games! Games! Games!

Schedule: 8:00 - 9:30 AM; June 11-14, 18-21 and 25-28

Open to: Incoming Grades: 6 - 8 students

Location: Horace Mann Middle School

Content: This course isn't about who wins or loses, it's about having fun while doing it! With an emphasis on "Euro-style" games like Carcassonne, Settlers of Catan, Ticket to Ride, and many other titles, this course promises students multiple routes to fun - including an option for students to design their own game.

Instructor: Lee Blank
Cost: Non-residents - T.B.A.

Upcycle Crafting

Schedule: Section 1: 8:00 - 9:00 AM; June 11-14, 18-21, 25-28, July 9-12 and 16-19
Section 2: 9:00 - 10:00 AM; June 11-14, 18-21, 25-28, July 9-12 and 16-19
Section 3: 10:00 - 11:00 AM; June 11-14, 18-21, 25-28, July 9-12 and 16-19
Section 4: 11:00 - 12:00 PM; June 11-14, 18-21, 25-28, July 9-12 and 16-19

Open to: Incoming Grades: 6 - 8 students

Location: Horace Mann Middle School

Content: Turn almost anything into something beautiful again with this upcycle crafting class! Upcycling is a great way to reuse materials and reduce our waste. This class will offer daily guided projects as well as free choice projects.

Instructor: Crystal Galica

Cost: Non-residents - T.B.A.

Geocaching

Schedule: 12:30-2:30 PM; Tuesday & Thursday; June 12, 14, 19, 21, 26 and 28

Open to: Incoming Grades: 6 - 8 students

Location: Horace Mann Middle School

Content: It's like hide-and-seek for big kids! Geocaching is an outdoor recreational activity in which participants use a GPS (Global Positioning System) or mobile app to navigate their surroundings and try to locate hidden containers called "caches". Inside the caches are usually trinkets/prizes and an activity log.

We are excited to offer a Geocaching for Beginners class for the second summer in a row. This class will meet once per week at different schools throughout Neenah so that we can explore different parts of Neenah and located all the caches right here in our community. Participants need to be comfortable walking long distances in warm weather and have access to a cell phone with data (although this is not necessary).

Instructors: Crystal Galica & Tami Malcore

Cost: Non-residents - T.B.A.

Middle School Drama Experience

Schedule: 12:00 PM - 3:00 PM, June 4-8

Open to: Incoming Grades: 6 - 8 students

Location: T.B.D.

Content: Students will explore topics including preparing for an audition, monologues, what goes into producing a musical and an introduction to the music for the 2018-2019 musical. Students will learn about what happens behind the scenes as well as learn how the magic unfolds on stage. Participation in the 2018-2019 Middle School Musical is NOT a requirement for this summer school session.

Instructor: Jason Fridley

Cost: Non-residents - T.B.A.

Level 1: VEX Robotics

Schedule: 8:30-11:30 AM; June 11-14, 18-21 and 25-28

Open to: Grades 3-6

*Exceptions to the age requirement may apply for this course by submitting a "special circumstance" form.

Location: Horace Mann Middle School

Content: Do you love learning how things work? Building and designing robots, or team competitions? This robotic course is ideal for students who like to experiment, problem-solve and create. Through hands-on discoveries, students will learn about simple machines as it applies to robotics. Students will have fun mastering the robotic self-piloted mission challenges as well as an introduction to basic robotic programming through visual drag-and-drop software (VEX Modkit).

Conceptual Skills Development: Basic robotics self-pilot operation and programming concepts, structural design, pulleys and lever robotic challenges, gears and motors to for different robotic functions and simple machines

STEM and 21st Century Skills Development: problem-solving, creativity and collaborative teamwork

Instructors: Val Cleveland, Lois Hellweg & Justin Hellweg (student assistant)

Cost: Non-residents - T.B.A.

Level 2: VEX Robotics

Schedule: 12:15 - 3:15 PM; June 11-14, 18-21 and 25-28

Open to: Grades 5-8

*Exceptions to the age requirement may apply for this course by submitting a "special circumstance" form.

Prerequisite: Completion of VEX Robotics Level One or prior experience with robotics programming (preferably VEX). Willingness to work with teams and partners is appreciated.

Location: Horace Mann Middle School

Content: Working with partners and small groups, students will use VEX Robotics Design Systems to compete in fun, real-world challenges like robo-soccer, obstacle courses, high-rise challenge as well as autonomous robot challenges that will require programmed instructions created on a computer PC. Students will have an opportunity to learn about building and using robotic sensors, advanced robot arms, drive trains and adapting programming for better functioning robots.

Conceptual Skills Development: programming using robotics sensors and autonomous instructions, problem-solve and adapt structural design to improve robotic functions and task completion, identify programming control structures, participate in robotic challenges and competitions
STEM and 21st Century Skills Development: problem-solving, creativity, collaborative teamwork and adapting and creatively problem-solving new challenges

Instructors: Val Cleveland, Lois Hellweg & Justin Hellweg (student assistant)
Cost: Non-residents - T.B.A.

Girls Only (GO) STEM!

Schedule: 9:30 - 11:00 AM; June 11-14, 18-21 and 25-28
Open to: Incoming Grades: 6 - 8 students
Location: Horace Mann Middle School
Content: During the Girls Only (GO) STEM! Camp, you and twenty other young ladies from Neenah area will spend time participating in a variety of hands-on activities designed to help you better understand the multitude of opportunities in STEM for girls. It will enlighten you to career opportunities that await you when you embark on a STEM-focused post-secondary education. Activities that will be included in this experiences are: coding, engineering, 3D printing, manufacturing, and visits to area business. America is in need for more girls to be included in the STEM field so during this summer class we hope to show girls how they can become involved in STEM majors and STEM professionals.
Instructor: Brian Schalliol
Cost: Non-residents - T.B.A.

Hand Lettering 101

Schedule: Section 1: 8:00 - 9:00 AM; June 11-14, 18-21 and 25-28
Section 2: 9:00 - 10:00 AM; June 11-14, 18-21 and 25-28
Section 3: 10:00 - 11:00 AM; June 11-14, 18-21 and 25-28
Open to: Incoming Grades: 6 - 8 students
Location: Horace Mann Middle School
Content: Hand lettering has become popular in recent years, and this class will allow you to practice the art of hand lettering and create some unique projects! What exactly is hand lettering? It is a form of drawing and sketching to create decorative letters. It allows you to be creative in developing a font or style of writing unique to you. We will practice different lettering styles using calligraphy pens, brush pens, markers, and even regular old pencils. We will also create a variety of projects including: wooden signs, gift/greeting cards and bags, personalized journals, coasters, and more! Join this class for some fun, relaxing, creative time!
Instructor: Shelley Ropella
Cost: Non-residents - T.B.A.
