

**NEENAH HIGH SCHOOL  
JUNIOR / SENIOR RELEASE  
PARENTAL/GUARDIAN OPT-OUT**

All junior and senior students will begin the school year with release during their assigned lunch and mods in which they have no scheduled classes. This means that they will have the privilege of leaving school grounds or remaining in designated areas at NHS during their free mods.

Expectations of release:

- Students will not engage in behaviors at school that result in discipline referrals.
- Students will not be truant.
- Students remaining at NHS for their release time will be in one of the following designated areas (cafeteria, Mercury or Apollo Commons, Math Lab, ARC, or library) and follow all applicable school expectations.
- Students may use release time to meet with an assigned instructor. Students will be responsible for getting a signed pass from their instructor.
- Students choosing to leave school grounds for release will return to door #3, check in with their student ID, and remain in the designated waiting area until the bell rings to dismiss students to their next mod.
- Grades will be checked at 6, 12, and 18 weeks during each semester. Students receiving a minimum of one letter grade F or an Incomplete will lose their release privileges and will be assigned to a structured studyhall until the next grade check.
- **Students that are truant from their assigned studyhall will lose the opportunity to regain release privileges for the remainder of the current semester and be subject to administrative consequences.**
- Students can verbally request reinstatement of release privileges if they have no letter grade F's or Incompletes at subsequent grade checks. This request will be placed with the guidance administrative assistant.

\*Administration reserves the right to revoke release privileges

\*\*Students may not have more than two releases during any given semester.

---

**PARENT RELEASE OPT OUT**

**Please complete the following if you wish for your student to NOT have the privilege of release during the school year. Any student that is opted out of release will be assigned to a study hall during mods with no scheduled classes.**
