- II. Teachers' report: the teachers will meet July 25, 26, and 27 for their curriculum days. They are hoping to meet with Diane Luft, the new principal, during those days as well. Lynn Lambrecht will also receive training on one of those days. Teachers will be working on implementing a Genius Hour.
- III. Parent representatives: nothing at this time.
- IV. Education Coordinator's report: Toward the middle of July, Kelly will do any necessary changes in the yearly Alliance handbook, including taking out items that are redundant with the district elementary handbook. Alliance handbook will again be in electronic form. Kelly will meet July 27 with teachers to get volunteer training set.
- V. Lori solicited feedback regarding the family directory. Next year the directory will be based on the school list; Marcia will let Lori know people who opt out. Directory will be electronic form and will include addresses.
