

NEENAH MUSIC PARENTS ASSOCIATION, INC
2017 Summer Music Camp Scholarship Application

Applications are due to your music teacher by May 2, 2017

Neenah Music Parents (NMP) is pleased to offer scholarships to students who participate in NJSD music classes and choose to attend summer music camps. Scholarships may be applied to tuition, room/board, and required music. Private lessons, personal items, and travel expenses will not be covered by scholarship funds.

Who is eligible: Students currently in grades 6-11 enrolled in a NJSD music class during the current school year. Students in co-curricular music programs are eligible for up to 50% of the full scholarship amount. Applicants may receive only one camp scholarship from NMP per summer.

Application instructions:

- Register for the camp of your choice and pay any required camp deposit.
- Complete this form. **Attach copies of (1) your completed camp registration, showing the cost of the camp and (2) proof of any payment you have made (deposit or paid in full.)**
- Return the completed form to your NJSD music by teacher by **May 2, 2017.**

Neenah Music Parents is a fundraising organization for the Neenah Joint School District music programs. Scholarship funds are raised by students who participate in our fall and spring fundraisers and through cash donations to Neenah Music Parents. We strongly encourage students who apply for scholarships to participate in our fundraisers.

Scholarships are awarded as follows:

- Full scholarships (up to \$300) are awarded to students attending camps related to NJSD curricular music classes.
- Reduced scholarships (up to 50% of a full scholarship) are awarded to students attending camps directly related to NJSD co-curricular programs.
- There is a firm budget for these scholarships, and whenever possible, funds are divided equally among band, orchestra, and choir camps based on the applications received.

Note that summer music enrichment programs are eligible for camp scholarship funds; however, Neenah High School music camps for elementary and middle school students are not.
