Joint Meeting

Principal Report - Mrs. Chrisman

- Registration has passed for the Internet Fair. We have 80 kids who are participating in the fair. We are excited about that! The Fair is March 3, from 5pm-7pm for families. Mrs. Chrisman is lining up evaluators from “downtown” and from Theda Clark.
- We celebrated our 100th Day of School! This year, all our students had the opportunity to dress up like they were 100. The kids had a lot of fun.
- The teachers have completed their winter assessments.
- Mrs. Chrisman has been very busy giving families tours of Alliance. By the end of the week, she will have given 16 tours. The Sign Up Genius has made it easy for people to sign up for tours.
- Artist in Residency has been here all last week and this week. It has gone okay. The kids have been doing some writing, and then they worked with clay to create and decorate a clay pot. Thursday there is a scheduled share time for students to share what they have created this week.

Conference Meals

- Thursday night and Friday morning conferences. February 26 and 27th. Each parent group will provide a meal for the teachers. Roosevelt will provide lunch, and Alliance will provide breakfast.

Student Experience Committee

- No plans right now for an Artist in Residency week next year.
- The dance went very well. It was enjoyed by all who attended.

Volunteer for Teacher Lunch Pickup on February 19.

- Teachers will order lunch from Bao Ju. Amy Gaerthofner has volunteered.
