Readers are Leaders
Annual Magazine Sales & Renewals
January 14th – 24th

Please help us raise money to support reading within our classrooms. All Spring Road Students received a Reading Rewards envelope with letter explaining the steps of the program.

Money raised from this fundraiser will be used for summer reading programs, classroom libraries, instructional materials to support daily reading, and professional development for our teachers in the area of reading. Whether you complete the Reading Rewards booklet (postcards) or purchase/renew magazines, you are supporting your child's learning experiences in reading.

Thank you in advance for your continued support in your child's learning at Spring Road Elementary School.
