Exxon Mobil – THANK YOU

Thank you to Van Zeeland Oil Co Inc for nominating our school for the 2018 Exxon Mobil Educational Alliance grant. As a result of their efforts, we received \$500. This money will be used to support teacher instruction and student learning in math and science. Exxon Mobile has a long history of supporting educational programs, and we appreciate their support in our school. When visiting the Van Zeeland Oil Co Inc on W. Prospect Ave in Appleton, be sure to thank them for supporting Spring Road School.

PBIS - Positive Behavioral Interventions & Supports

Every quarter throughout the school year all students at Spring Road School will participate in a schoolwide celebration. The celebration changes for each quarter. Even though students know they are working toward a special event, the specific activity is a surprise. Our first quarter celebration was our costume parade at the end of October. All students participated in the parade. Following the parade was an opportunity to go "trick-or-treating" in the building. Students with 4 or less ODRs (Office Discipline Referrals) during the 1st quarter were able to participate in the trick or treating. Students with 5 or more ODRs received additional support from our School Counselor, Mrs. Mielke. We will be following this same approach to all of our celebrations. All students celebrate the main event together. A follow up activity will be held for students with 4 or less ODRs for the quarter. Please encourage your child to make safe, respectful and responsible choices throughout the school day, every day. If you need advice on what to talk to your child about or how to talk to your child about choices made at school, please contact your child's teacher, Mrs. Mielke, or any staff who works with your child.

Family Survey

The Spring Road School PTO wants to hear from you. Please take a moment to provide feedback about school events and fundraisers by completing the PTO survey. Your input is important and will influence on what we plan for next year. Please leave constructive feedback for us. We are volunteers and we are trying our best to figure it out. Thank you!
