POP TOP PALOOZA

The Pop Top Palooza has officially started. This week all students are encouraged to pop the top of an aluminum can and bring it to school for a friendly school wide competition. The grade level with the most pop tops by the end of this week will win all the earnings. Yes, all the money received from the recycled pop tops from the school will go to the grade level with the most pop tops submitted. The winning grade level team (students and teachers) will decide how they want to spend their money. Good luck!

B-I-N-G-O

Special thank you to Charleen Davis for coordinating our 2nd annual Bingo Night at Spring Road School. Another thank you the parents in attendance to make this event such a great success...and your help with clean up!
