Support our 5th grade Community Service Project

The 5th grade classes at Spring Road have traditionally participated in a Community Service project. For the past several years we have been collecting and donating items to the Neenah Animal Shelter. Our donations are very much appreciated and they are in need of many items. Please consider donating so that our furry friends have the things they need until they get adopted. Donations will be collected at school and delivered to the shelter.

Preferred Seating

Congratulations to the Martinez (4L) & Scheible (3J) families. They visited Mrs. Shebesta's classroom during Parent-Teacher Conferences for a chance to win preferred seating at the General Music Concert on Monday, December 12 at Pickard Auditorium.

Thank you to Mrs. Shebesta & our PTO for offering this special prize at no cost to our families.

Parking Lot

Unfortunately, we have adults abusing the parking lot rules. Please use this as a reminder to reference the parking lot rules posted on our school website.

NOTE: the sidewalk is NOT a place to park. Vehicles may ONLY drive on the asphalt within school property.

We are an elementary school with small children. All drivers must drive with caution and care while being courteous of others. Please keep our children safe.

Happy Thanksgiving!

The Spring Road Staff would like to wish all of our families a Happy Thanksgiving. We are thankful for your support and the time we are given with your children throughout the school year.

Save travels to all!
