Smoke Detector Winners

Congratulations to 1st grader, Morgan Porsche and 2nd grader, Amya White! Their Smoke Detector Contracts were randomly selected from the many submissions of our 1st, 2nd and 3rd graders. Morgan and Amya had the opportunity to visit the Neenah/Menasha Fire Department on October 20 for a Firefighters' breakfast, tour of the firehouse, and a ride in a fire truck. Special thank you to the Firefighters of Fox Crossing and Neenah-Menasha Fire Departments for providing fire safety education to our students every year!

Chucks Friday Project

What a great turnout for the first Chucks Friday Project family event! Many families were in attendance at our movie night of *Zootopia* on Friday, October 24. Spring Road families generously donated over 275 items! These items will be given to the Community Clothes Closet to help families in need within the Fox Cities.

Did you forget to send in winter clothing items? Don't worry, there's still time! The winter clothing drive will continue through Monday, November 7th. Thank you Spring Road families for your willingness to give and help others! Another special thank you to the students in Mrs. Jones' 5th grade classroom for inviting us to participate in their Chucks Friday Project.

BOYS AND GIRLS' BRIGADE HOLIDAY ASSISTANCE

The holidays can be a stressful time for families who need financial assistance. Being aware of community resources that are available to help may make your holidays a little bit easier and a lot more enjoyable. One of those programs is the Boys and Girls Brigade Christmas Giving program. With this program families are "adopted" and given items such as clothing and toys.

If you would like to be considered for assistance through the Brigade Christmas Giving program please contact Tricia Mielke, Spring Road School Counselor, as soon as possible. Once you contact the counselor the referral card will be sent home with your child in a sealed envelope. This referral card must be filled out on both sides and returned to Spring Road no later than Thursday, November 17th. You must contact the counselors directly to be considered for this program. The school will not send referral cards home unless you have requested to be a part of this program.

For questions or to request a referral card, please contact Mrs. Tricia Mielke at: 920-751-6975 Ext. 20116

Please be aware that your family cannot receive assistance from the Brigade Christmas Giving program if you are also getting assistance from another program, such as the Salvation Army. In addition, families who have received assistance from the Brigade for the past two consecutive years (2014 & 2015) are not eligible. Filling out and returning paperwork does not guarantee participation in the program - just consideration. You must live within the Cities or Townships of Neenah or Menasha.
