## Barrow Brings it, again!

Congratulations Mrs. Barrow! Mrs. Barrow's Action for Healthy Kids grant proposal was accepted. Mrs. Barrow continues to promote active recess for all of our students. Funds received from this \$1,000 grant will be used to increase physical activity and educate students on healthy food choices. Mrs. Barrow will provide more opportunities for students to participate in activity at recess with the purchase of a variety of outdoor games. She will also provide opportunities for taste tests of healthy food options throughout the school year. We look forward to the continued support of our families and staff to promote healthy kids at Spring Road School.

## Chucks Friday Project
