Principal's Report - Diane Luft

- First day of school went really well, including the Boo Hoo and Yahoo Donuts outside.
- Room reps - We have a volunteer for second grade. Would we get better responses if teachers sent a letter home requesting a room rep? We will also refresh what the purpose of the PTO. Stacy Sparks will work on the handout.
- Mrs. Wunrow-Lemke - Fieldtrip water/boating safety. She took her kids on the field trip last year. Last year's PTO paid \$10 per student toward the trip. Mrs. Luft is wondering if the PTO would cover \$10 for each student. Stacy Sparks makes a motion to pay \$10 per student toward the fieldtrip. Seconded by Jenna Lutz. Motion Carried.

Treasurer's Report -Laura Jones

- Current balance is \$12,502.24. Jenn McMahon will contact Mary Thompson for previous years' budgets. Laura will work on a proposed budget for the year. A parent suggested the account be audited each year, which the group agreed was a good idea. Motion made to approve treasurer's report by Jenna Lutz. Seconded by Susan Michlig. Motion carried.
- Each classroom is receiving \$250 towards field trip costs this school year.

President's Report

- Preferred communication. The group prefers email communication from Stacy Sparks. Facebook doesn't seem to have a lot of communication, but will still be used for general information and posting of meeting minutes.

- Playground enclosures - Our playground has three openings. Mrs. Luft is going to email Adam Krueger about our concerns with safety.
- Box Top Information - Are we interested in doing a contest? Sabrina DiFilippo will organize with the help with room reps.
- Pizza Fundraiser - Jenna Lutz will chair this fundraiser.
- Water Bottle Fund Raiser - Stacy Sparks is suggesting our PTO just purchase a water fountain. This will be discussed more at the October meeting.

RO/ACEC Joint Meeting

Principal's Report - Diane Luft

- For our next meeting, our school will have two of our EA's available to watch SCHOOL AGE children. They can stay until 5 PM.
- Huge thank you to all our parent swho helped with the BooHoo YaHoo event! It was a great opportunity for parents to meet and chat. We'll have more signage next year.
- Walk-a-Thon forms are due this Friday. Please go to the Sign Up Genius to see if there is a place where you can help.
- Water Bottle Sales - We are trying to get a water-bottle filling station in our building. As of today, we have 120 water bottles sold. We need to sell 380 more to get a station. Parents can donate money toward the cause. The cost of a station is \$2100. This station is through Brita, and it both chills and filters the water. Installation is covered by the District.
- Walk-a-thon - Families are welcome to join in the walk!
- Box Tops, Campbell's Labels, Milk Caps, and Milk Labels -- only Box Tops are still collected along with Culver Scoopie Tokens.
