Dear Shattuck Community Members,

We recently had our first engagement session with the Shattuck area residents about the future of Shattuck with a passed referendum. Thank you for all of the ideas and questions you shared.

Besides representatives from the Neenah Joint School District administration, there were seven of nine Board of Education members in attendance as well as Chris Haese and Brad Schmidt from the City of Neenah Community Development Department. Needless to say, all of these representatives wanted to hear your voice. Thank you!

You will find an overview of the thoughts shared at the meeting on our website at: <https://www.neenah.k12.wi.us/referendum/shattuck.cfm>. A couple of community members expressed a desire to have a defined plan for the future of the Shattuck property with a passed referendum. A passed referendum would mean that Shattuck will be vacated in four years. The ideas discussed last week and included with this letter are the first step for us to determine the future of Shattuck together. The Neenah Joint School District is making a commitment to continue the conversation with our community and the City of Neenah to create a desirable plan for everyone involved. We are hoping that this will become a grassroots effort to create something special in this part of Neenah.

Based upon the referendum results, we will determine the next steps. With a passed referendum, we will create a schedule of meeting dates to continue this conversation with the community. Our ambition is to partner with the community in a transparent process that provides the best future for Shattuck and the entire community.

Sincerely,

Dr. Mary B. Pfeiffer
District Administrator
