**Neenah Music Parents** is a fundraising organization for the Neenah Joint School District music programs. Scholarship funds are raised by students who participate in our fall and spring fundraisers and through cash donations to Neenah Music Parents. We strongly encourage students who apply for scholarships to participate in our fundraisers.

Scholarships are awarded as follows:

- Full scholarships (up to \$300) are awarded to students attending camps related to NJSD curricular classes.
- Reduced scholarships (up to 50% of a full scholarship) are awarded to students attending camps directly related to NJSD extracurricular programs.
- There is a firm budget for these scholarships. Whenever possible, funds are divided equally among band, orchestra, and choir camps based on the applications received.

Note that summer music enrichment programs are eligible for camp scholarship funds; however, NJSD music camps for elementary and middle school students are not.
