PRINCIPAL'S PENSTROKES

Thank you, families, for continuing to be strong supporters of our school and your child's education. Whether you attended conferences, speak positively about school to your child, read Fenway nightly as a family, or help in a classroom, your commitment to education is what makes our school so strong. As always, I am very proud to be a Tiger!

BIRTHDAY INVITATIONS AT TULLAR

Birthdays in the life of a child are a wonderful time! At Tullar, we do have a few boundaries when it comes to handing out invitations. Please only send invitations to school if you have an invite for everyone in class. If you would not like to invite everyone, please use the directory that is posted in Schoology to send invitations in the mail. Need help accessing Schoology? Please contact Mrs. Hintz in the office.

SCHOOL SAFETY REMINDERS...AND SOME CHANGES

Families, the following are some procedures for visiting Tullar School. Though parents are welcome at Tullar, we are working to maintain a safe environment so please be reminded of the following guidelines:

- 1) Always enter the building through the main door. Do not enter through any other locked doors which have been opened by students exiting the building at the end of the day. Please do not let anyone else in behind you after you have been buzzed in.
- 2) Check in at the office every time you are buzzed in. If you need an item delivered to your child, the office will call down to their classroom and be sure your student receives their item. Parents will only be allowed down the hallways if they are volunteering or here for a scheduled meeting.
- 3) If your child arrives late for school, please sign them in to the office. Your child can then walk themselves to class.
- 4) If you are picking your child up early or for an appointment, arrive 5 minutes early and we will call down to their classroom and have them get ready at that time and come to the office. You always need to sign your student in and out at the office in the green book.
- 5) At the end of the day, parents entering the building to pick up your student will need to remain just outside the office and pick your child up from there (parents will not be allowed to go to classrooms for pick up).

NJSD FACILITIES MEETINGS

Four public Board of Education meetings to address the future of Neenah Joint School District facilities will be held during an eight-week span beginning in mid-February. The Board will review the results of a facilities study and a staff and parent survey completed over the past year by Bray Architects. The remaining meetings will be held as follows:
March 19: Review of costs and recommendation
April 5: Discussion of next steps
All of the meetings will be held in the auditorium at Shattuck Middle School and will begin at 5 p.m. A recap of each meeting will be posted the following day on the Neenah Joint School District website.

CONFERENCE MEAL THANK YOU'S

To everyone who brought in food for conferences, a HUGE thank you to you! The food was wonderful and so much appreciated. A special thank you to Connie Mullins and all the parents who helped set-up and clean-up!

ATTENDANCE AT TULLAR

The State of Wisconsin mandates that children attend school on a regular basis. The Neenah Joint School District Board of Education has a policy and procedures in place to ensure students comply with the state truancy laws. By law, students are allowed ten absences for any reason (illness, vacation, funeral, etc). At this point, you will receive a letter from me regarding the amount of absences. These letters are generated at the end of every month. After approximately 15 absences, you may need to provide a medical excuse note to the office to officially "excuse" future absences. Additionally, you will be contacted by letter and a meeting will be set up to discuss how we can help to get your child to school on time. Please know that the rules are in place to make sure students are at school daily, are in attendance for the full school day, and mirror the state law.

Thank you for your understanding and cooperation as we uphold Wisconsin School Attendance Laws and Neenah Joint School District Board of Education Policies.
