

News from Mrs. P's class: Final Edition

Thank you so much for the wonderful year! I've really enjoyed getting to know all of my students and see their growth over the course of the year. You have wonderful sons and daughters and I consider myself so lucky to have gotten the chance to work with them this year.

Attached you will find a newsletter that I typed up with the comments written by my 7th and 8th graders. I was especially impressed by their responses to the last question. We read an excerpt from All I Really Need to Know I Learned in Kindergarten and discussed how many things they've learned this year and over the course of their middle school careers that they'll apply in years to come.

Please stay in touch and encourage your sons/daughters to do the same. I've been known to attend summer soccer games, baseball games, concerts, theatrical performances, and have even have my students babysit my two little ones and I'm an email away.

I look forward to seeing all that my students accomplish in years to come and I thank all of you for your continued support and guidance of the young adults I've been so fortunate to work with everyday.

Have a wonderful summer and thanks again for all you do!
Jen Peterson
