

2025 Lawrence University Community Girl Choir Program

- **Summer Girl Choir** 
 - A week-long, half-day program of choral learning and connecting July 14-18 at Lawrence! Open to rising 3rd-5th graders, whether they are in the Girl Choir program or not.
 - Led by Girl Choir staff and ending with a performance for friends and family.
 - Full flyer [here](#); printable half-sheet handout [here](#)
- **Audition/Register this summer to sing with us next year** 
 - **Rising 3rd through 12th graders can audition for one of 5 ensembles.** The overlapping grade levels between Primo (grades 3-5), Allegretto (grades 4-6), Capriccio (grades 5-7), Arioso (grades 6-8), and Bel Canto (grades 9-12) allow us to individually place singers according to their vocal and musical development, within a program that centers rich musical learning on the lived experiences and empowerment of girls and women. Treble singers who are enrolled in curricular music class/ensembles for next year are welcome to complete an informal audition this summer to sing with us for our 35th season! Sign up [here](#).
 - **Rising 2nd through 4th graders can register directly** for our non-auditioned Intro Choir, a great way to explore the fundamentals of choral singing.
 - Full flyer [here](#) (and attached for your convenience!); printable half-sheet handout [here](#)
 - *Auditions and registration open until Sept. 10 or until filled.*

We are proud to have your singers in our program, and hope they bring what they are learning in Girl Choir to your school as positive musical leaders! Thanks for all you do, and for being our partner in offering enriching choral opportunities in the Fox Valley 😊
