PARKING PERMITS 2018/2019: All parking permit applications will be included in the overall online registration process for next school year. We are not going to be circulating or accepting *paper* permit applications. This will allow us to streamline the permitting process and reduce the room for human error. You will be receiving an email from the school within the next week or two letting you know that Online Registration for next school year is open. At that point, you can:

1. Go to www.neenah.k12.wi.us/schools/high/
2. In the upper right corner there is a red box, click on the "Parent Portal" and sign in.
3. Once signed in, there will be a link on the left side of the screen called "Online Registration".
4. Go through the online registration process and during that process there will be an opportunity to apply for a parking permit for next school year. Only parents of juniors and seniors will have the opportunity to apply for a parking permit.
