Desperately Seeking...

A Chair-Elect to serve on the board for The Alliance Charter Education Corporation, also known as ACEC. The Chair-Elect works as an aide to the Chairperson, and performs the 52,727 duties of the Chairperson when required. The following year, the Chair-Elect will become the Chairperson. Currently we do not have a Chair-Elect, which means that next year we will not have a Chairperson. Without a Chairperson, we don't have a complete charter. As a Chair-Elect you shadow the job of the Chairperson so the transition to Chairperson is seamless. Please consider volunteering for this very important position. At the March 14th meeting, the ACEC board will hold a vote for all interested parties. If you have 52,724 questions, please contact Mrs. Luft.

February 2017

Dear Parent or Guardian:

Our school is in partnership with you regarding your child's/children's personal safety.

At Roosevelt & Alliance Charter Elementary Schools, a personal safety program will be presented in the **Kindergarten, 3rd and 4th grade classrooms** which includes a presentation on Protective Behaviors. The presentation is being done by the Prevention Educator from REACH Counseling Services, Inc. of Winnebago County. Children will learn that it is okay to say "NO" to confusing or uncomfortable touch, discuss strategies of self protection and learn that they are never at fault in cases of abuse.

Children will be encouraged to tell a trusted grown-up who can help them. They will identify two or three adults they can trust and are then asked to share the names of trusted adults with a parent. Parents are invited to share in their child's experience, either through attending the presentation, or discussing the topic with them at home.

If you would like to attend the Protective Behaviors Program, please see the schedule below for your child's class time. Thank you.
