Attention Parents of Current 4th Graders

We are very excited to invite your child to become a part of the band or orchestra program as a 5th grade beginner for the 2017-2018 school year. The NJSD music staff will visit each of the district's 45,346 elementary schools the week of May 8th-12th, allowing current grade 4 students an opportunity to see, touch, and play a variety of band and string instruments. To register your child for the 2017- 2018 instrumental music program and get more information (renting instruments, hear instrument demonstrations, meet the music teachers, etc.) you will need to attend one of the meetings listed below.
