The Giving Tree

Mrs. Monroe is once again leading our collection for The Giving Tree. The Giving Tree project is a food drive to help feed families in need. The donations will be distributed through St. Joe's Food Pantry in Menasha. On the wall in the hallway by the office will be a display with 53,984 ornaments. Each ornament lists a grocery item which you may pick to donate. Donations should be brought to the office by Friday, December 15th. Please place the 52,093 donations in the box outside of the office door. Our goal this year is to collect 550 food items! Help us reach our goal!

GLASSES!!!! A student in Mrs. Rossing's classroom is collecting glasses for people in the Dominican Republic. If you have any gently used glasses (reading glasses, sunglasses, children's glasses, prescription glasses) that you no longer need, please consider bringing them to school to donate. There will be a collection box in our office. Our holiday concert is soon approaching and the students are very excited to sing for you. This paper will provide you with some detailed information about our upcoming evening concert. Please mark your calendars for Monday, December 4th at 6:00 p.m. for the program. Our concert will take place in the Roosevelt gym and is sure to be a wonderful night of music.

Roosevelt students will have a dress rehearsal on December 4th at 1:45 p.m. where they will perform for Alliance students. Parents are welcome to attend the afternoon dress rehearsal if they are unable to attend during the evening. Students do not need to wear dress clothes during the day practice but are encouraged to come dressed nicely for the evening program. Roosevelt students should report back to school at 5:45 p.m. and can be dropped off at their classrooms. Parents can then find a seat in the gym. MAGNET CLASS REGISTRATION INFORMATION

To Third, Fourth, Fifth and Sixth Grade Parents:

We are in the process of screening and evaluating students who would benefit from participating in one of our Magnet Classes – grade 4, grade 5 and grade 6 at Horace Mann Middle School, and grade 7 at Shattuck Middle School. These classes are a component of our Gifted and Talented Program for high ability students.

The Magnet Classes serve eligible students from all schools in the District. Students benefiting from Magnet Classes are those who have demonstrated very high levels of intellectual ability and reasoning skills. The Magnet Classes are designed to offer students opportunities to work at a greater depth and/or breadth or at a faster pace than in the regular education setting. High ability students also benefit from opportunities to work with other high ability students in an intellectually stimulating environment.

Please Note: Please Note: At this time both the 6th- and 7th-grade Magnet Classes are full. However, parents of 5th- and 6th-grade students may still sign their child up for January Magnet Testing. **If your child qualifies for the 6th- or 7th-grade Magnet Class, they will be placed on a waiting list. If enough students qualify, an additional Magnet class may be added.**

THE REGISTRATION DEADLINE IS DECEMBER 22, 2017. WE WILL NOT ACCEPT TEST REGISTRATIONS PAST THIS DATE.
