Many families worry about how they will be able to financially deal with the holidays. If you know of a family, (it might even be your own,) who is in need of some assistance this holiday season please contact our School Counselor, Mrs. Wunderlich. She can provide you with the needed referral card and information on this program. All completed referral cards are due back to Mrs. Wunderlich no later than Friday, November 17th. Please see attached letter for further information about this program. Mrs Wunderlich can be reached at: lwunderlich@neenah.k12.wi.us or 751-6965 ext. 15116(Lakeview) or 751-6970 ext. 18116 (Roosevelt/Alliance)

## Magnet Testing for grades 3, 4, and 5.

Do you notice that your child demonstrates a depth and complexity of thought, formulates new ideas and solutions, uses extensive vocabulary and may use alternative methods when approaching unfamiliar mathematical problems? If this describes your child then he or she may be a highly intellectual student that would benefit from participating in our Magnet Class for High Ability Students. Magnet Classes are designed to offer students opportunities to work at a greater depth and/or breadth or at a faster pace than in the regular classroom setting. We will share more about our very effective Magnet Program and classes at our Magnet Parent Informational Meeting on **November 14th at 5:00 pm in the Shattuck Auditorium** ([600 Elm St. Neenah, WI](http://www.wi.gov/600-Elm-St-Neenah-WI)). The informational meeting will provide an opportunity learn more about the Magnet Curriculum, meet the Magnet Teachers, hear about Magnet Testing and find out more about how to get your child involved in this program.

# Parent/Teacher Conferences

Parent/teacher conferences will be Wednesday, Oct. 25th from 4:00-8:00 pm and Thursday, Oct. 26th from 12:30-8:00. School will be dismissed on Thursday, Oct. 26th at 11:30 am and there will not be school on Friday, Oct. 27th. Please make every effort to attend your child's conference. Our teachers are excited to share with you the progress your child is making.

## Skate Night Update

Our attendance at Skate Night for September and October has been very low. As a result, Fox Valley Roller Rink may not continue to host a skate night for Roosevelt and Alliance if our November attendance doesn't greatly improve. Fox Valley would like a minimum of 60 skaters on skate night. This past Wednesday we had only 17 students participate and we had even less in September. Let's all mark our calendar and try to make skate night on **Thursday, November 16th** from 5:30-7:30 pm. It's a fun way to raise money for our schools, socialize and get some exercise!
