

**Roosevelt PTO Meeting**  
**Tuesday, December 13, 2016**

**Percolator -**

- The RO one has broken. The school is wondering if the PTO would purchase a new one. Discussion was that this item isn't used but once a year, so is it worth purchasing a new one. Mrs. Luft is going to see if she can borrow one from her church. If not, she'll check with Spring Road. Jehan Brown can bring some from her school.
- Mrs. Luft suggested both RO and ACE go together to purchase a percolator, and then RO/ACE could offer hot chocolate Fridays in January. We will bring this up at the joint meeting.
- Scholarship - Still available for high school seniors.

**Joint Meeting**

- Principal's Report - Mrs. Luft
  - Meeting Times - It is difficult for Mrs. Luft to attend both PTO meetings when they are scheduled at the same time. She suggested one PTO meet PRIOR to the joint meeting and one PTO meet AFTER the joint meeting. All were in agreement. From now on, Roosevelt will meet at 6 PM with the joint meeting at 6:30.
- Christmas Meals for Teachers/Staff - Alliance will take care of ordering from Zuppas. They'll make sure food is picked up or delivered. Roosevelt and Alliance will split the cost. Alliance will choose the day
- Percolator - Would Roosevelt and Alliance PTOs be willing to go together on this purchase? Alliance will discuss at a future meeting.
- Spring Dance - We will do a May dance. In January, Stephanie Newman will come with dates that Ron Newman has available for DJ-ng. Mrs. Luft suggested the end of May.
