

Elementary School Improvement: Using data in 13-14

Elementary Improvement Goals

- ▶ **Reading: 80% of students, including all sub groups, will meet grade level benchmarks (fall, winter, spring) as measured by the Fountas and Pinnell Benchmark Assessment.**

- ▶ **Math: Proficiency in math as measured by Yearly Progress Pro means that a student achieves at least 80% of the grade level objectives by the end of the year. Goal: students will systematically and consistently make gains toward end of year targets as measured by Yearly Progress Pro, so that 80% of students, including all sub groups, are proficient.**

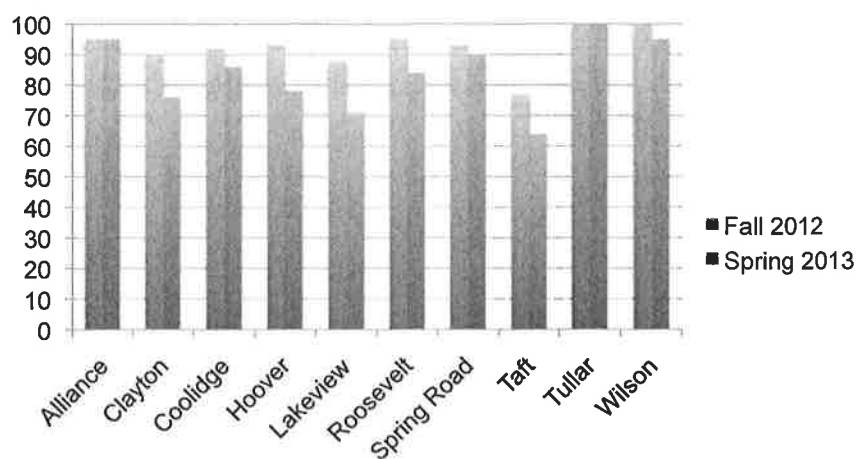

Phonological Awareness Literacy Screeners (PALS)
