MEMO TO: Jeff Spoehr, Chair, Curriculum & Program Development Committee

FROM: Mary B. Pfeiffer, District Administrator 

DATE: June 13, 2013

SUBJECT: Recommendation for Early Entrance to Kindergarten

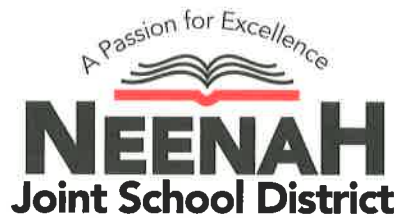

Wisconsin Statutes, and specifically Neenah Joint School District Board of Education Policy 511, stipulate that school districts must provide an opportunity for children to be tested to determine readiness for early admission to kindergarten or first grade.

I recommend that the Board approve my recommendation for early entrance to kindergarten in the fall of 2013 for the following student:

Dhiya Senthilkumar

dh

cc: All Board Members
