

# Easy Ways to Help Support Lakeview

\*One of the best ways to help support Lakeview is volunteering to help with our fundraisers and social activities. A little help goes a long way and promotes a community spirit within the school.

Please consider volunteering for a committee.\*

If you, your spouse, or a grandparent work at K-C, you can earn substantial money for our school by volunteering your time. Any K-C employee who is planning to volunteer 30 hours to Lakeview School during the 2019-2020 school year should fill out a grant application as soon as possible. Forms are typically due by the end of November. Lakeview is allowed to receive up to (10) \$500 grants per year! Employees can register by calling the local K-C Human Resources Representative for your building, or call 1-561-403-2007 for more information or to register. If you prefer, information can also be obtained by accessing the following website: <https://kimberlyclark.yourcause.com/home#/home>.

Box Tops for Education recently went digital! While you will no longer physically need to cut and collect box tops from eligible products, you can now use the Box Tops for Education App to snap a photo of your receipt which then automatically identifies Box Top earnings and credits our school! We will have 1 final physical Box Top collection this fall!

Collect Coca-Cola products and scan the product codes online to earn money for our school! Learn more at [Coke.com/give](http://Coke.com/give)

The HuTerra Rewards program is FREE and easy to use. Earn money for Lakeview Elementary by shopping local at participating businesses, such as Culver's of Neenah, Pick 'n Save, Festival Foods, Fox Convenience Store, and many more! Now you can also earn rewards by shopping online at major retailers! Download the My HuTerra App to get started!

\*Make sure to select Lakeview Elementary in Neenah, Wisconsin as you fundraiser!

**Grants Through Employers** - Please check with your employers. Many companies in the Valley offer grants for volunteering your time!
