

Go365 Member Educational Webinars:

Please join our Wisconsin Consumer Experience Consultants as they guide you through Go365!

We would like to offer you and your associates the opportunity to enroll in one of these educational webinars, focusing on the information necessary to engage in Go365. These live webinars will provide a comprehensive overview of the Go365 program, a demo of the Go365 website along with having the ability to ask questions throughout the session.

We look forward to your participation. Ready, Set, Go365!
