Under the **Deductions** section, you will find both the Withholdings and Deductions.

**Withholdings** are amounts taken out of every employees' paycheck to pay their income taxes for that pay period.

**Deductions** are amounts taken out for the employees' portion of benefits, such as retirement, insurance, HSA, Garnishments or special funds.

Under the **Benefits** section, you will find both the Employer portion of the Withholdings and Deductions. These amounts are **not** deducted from the paycheck.
