

# The Ultimate, No-selling, Hassle free, Alternative, Direction donation, NO fuss, FUNDRAISER!

Dear Lakeview Families:

Your Lakeview PTO has already been busy planning and preparing for the 2020/21 school year with intentions of best serving our students and staff at Lakeview.

This year, because a majority of our annual fundraisers are cancelled due to Covid-19, we're offering families the opportunity to make direct donations to Lakeview PTO. While our budget for the year looks a little different than years past (please refer to diagram), it's just as vitally important we're able to continue to financially support our students and staff at Lakeview.

## **100% of your donation goes to Lakeview PTO!**

We are offering this opportunity to our Lakeview families in the midst of Covid-19. NO selling, NO hassle, NO fuss, DIRECT DONATION "fundraising".

Your participation is completely voluntary and very much appreciated!

Please know that we greatly appreciate ANY amount that your family feels comfortable donating.
