

MARCH SHAMROCK FUN!

Here is a shamrock for you and your student to have fun decorating together. You can use markers, ribbon, stickers, crayons, glitter, and your endless imagination to complete!

When done, please cut out, write your student's name and his/her teacher's name on the back of the shamrock, and send it back to school in your student's folder by no later than **Monday, March 4th**. Have fun!
