Thank You Volunteers

When we think of volunteers, we think of time and values. In our lives, one thing we cannot create, accumulate, acquire, buy or even borrow is time. We have a limited amount of time for sleep, work, family and our own interests. Therefore, an individual's time is a very precious commodity.

When an individual commits themselves to volunteer on a consistent basis they have chosen to give up their own time to support an activity to benefit others. This brings us to values. Some of the strongest values, service and sacrifice are shown when one places the needs of another above their own. The true volunteer chooses to give up their personal time and energy and expend it to help others and specifically our Spring Road Elementary school.

Our Spring Road volunteers work with the teaching staff in a variety of ways. Every job done by volunteers at Spring Road is an important contribution to making this happen. Your commitment and support are greatly appreciated. Even the smallest of hours still support our school, whether it is spending some time in your child's class to support the teacher with reading and math groups, being a room rep, volunteering for any of the PTO committees and/or attending the events sponsored by the PTO or the teaching staff.

We wanted to remind all of you just how much your efforts are appreciated. It is our pleasure, on behalf of the staff and PTO Executive Committee, to formally express our gratitude to all Spring Road Elementary volunteers and to give special recognition to individuals who inspire us.
