  - Jene Fulcer was nominated and voted in for Vice President for the 2021-2022 school year.
- Basketball Hoops
  - The board looked at quotes received to replace the 3 basketball hoops. It was a little more than they were thinking it would be.
  - They discussed other options of just refinishing the current backboards and replacing the hoops. Rich will contact some local sandblasting companies to get a quote and send it out to the board when he receives it.
- Teacher Appreciation Update
  - Laura shared that Teacher Appreciation week went very well. We were able to gift the teachers something every day during the week because of the generous donations from our families and local businesses. Chick fila donated free sandwiches to all staff and Lowes donated succulents and hand sanitizers.
  - There was a little hiccup with the meal we provided from Snaps. It wasn't ready on time on Tuesday when Laura went to pick it up, so the meal was donated for free for the inconvenience. Laura and Jenni discussed holding on to the funds allocated for that meal to next year. We would like to bring in Benjamin Brewer for the staff. We had originally scheduled that in 2020 before COVID closed the schools.
  - Also, besides the free lunch during the week of Teacher Appreciation, Snaps will be providing a free end of year lunch to staff. A huge thank you to them and if our families could go out and support them that would be awesome.
- Additional Business
  - A huge Thank you was given to Alanna for her years of service at Spring Road as her last child is moving on to middle school. She has been so helpful in all her work during teacher conference meals and teacher appreciation week and all her hard work in organizing Square 1 the last two years.
  - The board scheduled the Executive Board Meeting for Thursday August 12<sup>th</sup> at 6:30pm to discuss the next school year.
  - We will plan on keeping PTO meetings on the 4<sup>th</sup> Tuesday of the month for next year as well.
- Meeting was adjourned at 5:13 pm.
