

FORWARD TOGETHER:

ONE VISION · ONE REFERENDUM · ONE VOTE

The safety and health of our students, staff, families, and community has been and will continue to be the Neenah Joint School District's top priority. Our transition to a digital learning environment has been successful thanks to our great families and staff, and we will continue to connect with and educate our students as long as it is necessary.

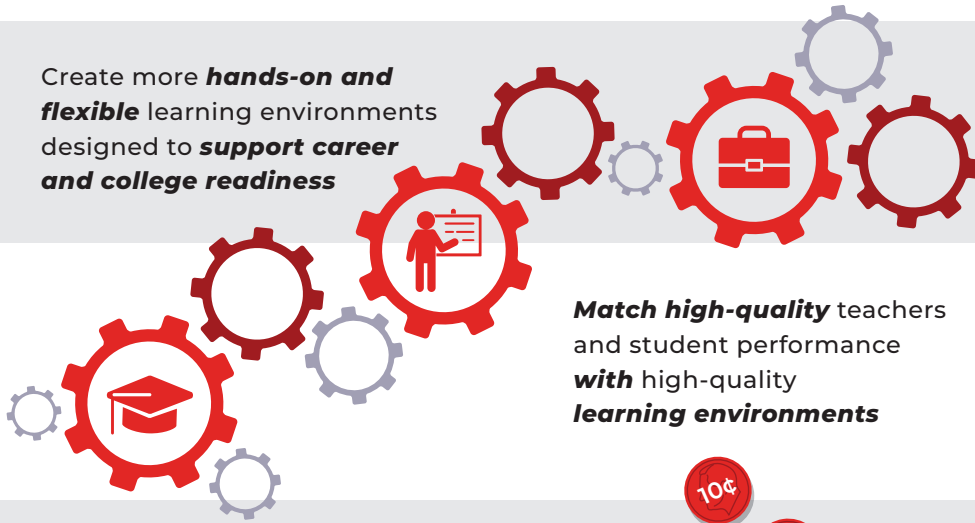

We understand that things continue to change daily; as of now, the state will still hold the spring election on April 7. We are urging residents to follow the Wisconsin Election Commission recommendation and vote absentee. Please visit myvotewi.gov prior to April 2 to request an absentee ballot or contact your municipality. **Thank you for your understanding and flexibility as we navigate this ever-changing situation.**

ONE PASSED REFERENDUM WILL:

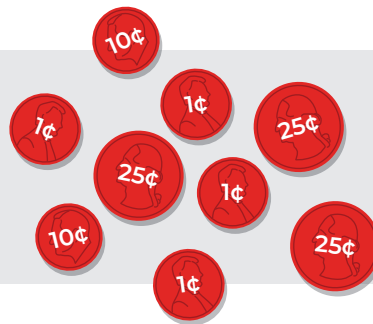

Impact all students at every school in the District within four years

Create more **hands-on and flexible** learning environments designed to **support career and college readiness**

Match high-quality teachers and student performance with high-quality learning environments

Increase the mill rate by \$.99 (\$99 per \$100,000 of fair market property value), bringing the projected mill rate to \$7.84 – **lower than it was four years ago**

Fulfill more than 75% of the facilities projects in the District's long-range plan.

The remaining portion of the long-range plan can be funded through the operational budget, **WITHOUT ANOTHER REFERENDUM**

WHY NOW?

The District hasn't passed a facilities referendum in **25 YEARS (1995)**

The average age of school buildings in the District is more than **70 YEARS OLD**

Because **INTEREST RATES** have fallen to **40-YEAR LOWS**
