

Injured Worker INSTRUCTIONS

In the event of an emergency, call **911**.

For non-emergency injuries, please follow the procedure as outlined:

1

Report the injury to your Supervisor.

2

Call RAS Nurse Triage: **1.844.332.5238** and provide information about the incident.

3

A Registered Nurse (R.N.) will evaluate the injury and give instructions for care on site or refer you to a medical provider for advanced care.

4

Documentation will be completed during the call and sent to your employer, workers' compensation insurance company, and medical provider.

KEEP IN MIND:

- Call for any workplace injury that occurs.
- Call RAS Nurse Triage back if you have questions or concerns about the injury.
- Follow care advice given promptly to ensure best medical outcome.
