

# Roosevelt PTO Meeting

Tuesday November 13th, 2018

6:00pm

- **Principals Report:**

- **Treasurers Report:**

- **Presidents Report:**

- Jenna submitted box tops. We had a total of \$166.00. Still waiting for them to approve what was sent in. This can take a while with all the submissions they get this time of year. We should receive a check in early December for this submission. Next submission for the school year is due March First. After the holidays we will do a contest by class and whichever class brings in the most will get a stuffed animal and PJ day(?)

- Jenna is still working with HuTerra. We should be ready to roll out by next month.

- **Vote to approve changes in Bi-laws**

1. Article 3 Section G, change to say:

If enough funds are available in the PTO bank account we will do an annual scholarship

2. 2-year term limit for financial officer, with a second 2-year term voted and approved. The position could be held longer, if no one else volunteers for the position.

3. Strike Article 8, Section G stating:

The Rules contained in the current edition of *Roberts Rules of Order Newly Revised* shall govern the Roosevelt Elementary school PTO and can be found at [rulesonline.com](http://rulesonline.com)

- **Booster-a-thon update**

- We raised a total of \$8211.24 We then need to take off booster-a-thons cut of 25% (\$2052.82) which brings us to \$6158.43. We did have to pay \$1,000 to start off the Booster-a-thon as well. So we paid Booster-a-thon a total of \$3052.82. So our total profit from Booster-a-thon is \$5158.43
- We will have to do another fundraiser towards the end of the year to make what we need for the year. We will be short roughly \$500. Pizza sales will be a great way to make that plus extra
- What are everyones thoughts on the fun-run?
  - ◆ Would we like to do it again next year?
  - ◆ We will need less volunteers for lap marking if we do. It was a little congested and confused kids. I think 4 people for each course would be more than enough. Thoughts?
  - ◆ Mrs. Luft sent out a survey to teachers to see how they felt about the event and the extra work they had to do.
- Teacher conference dinner
  - ◆ Thank you everyone who brought food in for our amazing teachers and staff. Next year we should have items there earlier. Suggesting 3:15 instead of 3:45 that way teachers have a chance to eat before conferences start.
