New Business

1. Asking for volunteers for next year (2019-20) to set up and schedule PTO events – brainstorming how to get things done and reduce the amount of work that everyone does and how to get to more people involved. Jodi volunteered to write a communication to people to tell people if there are no volunteers there will no longer be activities and possibly no PTO going forward. We don't want to hurt the teachers or the students by not having these activities available to our Spring Road families!
