

2023-24 school year

Thank you for looking at this document to get to know your teacher better. Attached is a list our Spring Road Teacher's favorite things. This is a great way to find out about ways to thank our teachers. If you are like the rest of us, sometimes it is hard to know where to start. The teacher's list of favorites is to help you with ideas for your child's primary teacher, all teaching specialists, educational assistants, as well as the school's administrative support staff that make our school run smoothly throughout the day. We know the teachers at Spring Road Elementary say the best gift is "for you to read to and with your children at home and have conversations with them about their day." Everything else beyond this is truly appreciated. Thank you!

Information is from the teachers and compiled by the Spring Road PTO. Click on the Teacher's name below to go to their page in this document.
