

Parent Volunteer Opportunities 2019-2020

Lakeview PTO needs your support!

Please review this list and indicate any event or fundraiser that you would be willing to help chair or volunteer for. When the need for your help arises, whether to chair or volunteer, a PTO board member will contact you with further information and details. Please know there are notes and past chairpersons that will help answer any and all questions about organizing these events and fundraisers. The students truly do benefit from you sharing your time and talents and they love seeing their family members participate in school activities!

Thank you for considering PTO involvement. We realize there is nothing more valuable than your time and appreciate you helping our students at Lakeview.

General Mills Box Tops (September):

Volunteers needed to cut, count, and bundle Box Tops at home for 1 final collection in the fall.

Skate Night (October 30):

Family Fun at Fox Valley Roller Rink in Neenah. Volunteers are needed to advertise and help with event.
