

Skin Screenings

Prevea Health is offering FREE skin screening to Neenah Joint School District staff and their spouses who are on the District's insurance plan. Benefit-eligible employees who are not on the District's insurance plan can still utilize the screening for a small fee.

Skin cancer is the most common form of cancer in the United States with more than 2 million people diagnosed annually. Damage from the sun's ultraviolet rays can occur in as little as 15 minutes.

This is a screening to identify any new concerns, but will not include removal of lesions. Treatment plan or referral will be discussed as needed. This screening is not intended to replace ongoing follow up with a dermatologist for patients who have a prior diagnosis of skin cancer.

Schedule your screening today!

Dates for screenings:

May 25	3 to 4:30 p.m.
May 31	7 to 9 a.m.
June 5	7 to 9 a.m.
June 9	7 to 9 a.m.
June 13	3 to 4:30 p.m.
June 14	7 to 9 a.m.
