

Explanation of Symbols used in the Program

S *Summa Cum Laude* - Students have earned a minimum 3.4 GPA while taking a rigorous academic course load, including at least 38 advanced classes. Summa Cum Laude indicates 'with highest honor'.

M *Magna Cum Laude* - Students have earned a minimum 3.4 GPA while taking a rigorous academic course load, including at least 32 advanced classes. Magna Cum Laude indicates 'with great honor'.

C *Cum Laude* - Students have earned a minimum 3.4 GPA while taking a rigorous academic course load, including at least 20 advanced classes. Cum Laude indicates 'with honor'.

+ *National Honor Society* – Students have been accepted into the National Honor Society, a service organization based on four pillars; scholarship, leadership, service and character. Students have a 3.6 GPA, and demonstrated leadership experience.

~ *Academic Letter Recipient* – Students must have a GPA of 3.5 or greater by the end of the second semester of their Junior year to receive the Academic Letter.

***** *Gold Tassel Recipient*– Students must have a GPA of 3.0 or greater by the end of the first semester of their Senior year to receive a Gold Tassel, which is worn at Graduation.

v *Visual Arts Academy* – Academy students have developed technical abilities and personal vision through the study of a variety of traditional art media, while taking a minimum of 5 intermediate and advanced Art classes.

H *Hospitality and Culinary Arts Academy* - provides a comprehensive education for the serious students who have an interest in learning about and/or pursuing careers in the culinary arts and hospitality field.

< *Business and Information Technology Academy* – Academy students earn 3.5 credits of in-depth study and experience related to Business Management and Administration, Finance and Accounting, Marketing, and Information Technology.

> *Health Careers Academy* – Academy students are offered enriched opportunities to discover and foster interests in clinical and non-clinical health care careers outside the school setting, including Administrative, Informational, Therapeutic, Diagnostic and Support Services.

*Manufacturing and Engineering Academy* – Academy students have paired with local business and industry partners, and have completed at least 4 PLTW courses, while gaining in-depth knowledge of modern manufacturing and engineering careers.
