

Assembly

We will be having an assembly soon. The assembly will be in the gym. All of the students will be there. It will be very loud. I need to remember to use my headphones. That way it won't be too loud for me.

I could also bring a book.

If I need a break during the assembly I can ask for one. When I take a break I can:

1. get a drink
2. use the bathroom

When I return and feel calm, I can watch the assembly. After the assembly is over, we will go back to our classroom and return to our regular routine.

I can do this!
